

## **Elbert County 8th Grade Promotions (1918 – 1930)**

This record is from the archival collection of the Elbert County Superintendent of Schools and records those students who achieved an eighth grade promotion from 1918 - 1930. The record usually shows the students' name, their nearest town address, their overall grade average, their achievement grades in arithmetic, reading, penmanship, spelling, grammar, history, civics, agriculture, geography and physiology. In addition, the name of their eighth grade teacher, name of the school (many of which were one-room schools) and the school district number are recorded.
